HTML | CSS | JavaScript | AWS | Angular JS | REST API | Search API | JSON | C#

- **Augrat:** Generate buggy android code for comparing program analysis tools like Leak Canary, Heap Automated tool for testing and comparing Android code analysis tools.

EDUCATION

Master of Science : Computer Science

Top of class with GPA 3.5 out of 4

08/2017 – 05/2019

- The University of Texas at Arlington

- Skills

- ■ JAVA / C / C++

- ■ AI/LLM/RAG

- ■ OOP / SPRING

- ■ SOFTWARE DEVELOPMENT
- ■ HTML / CSS
- ■ ANGULARJS / React
- ■ TIZEN / WEBOS
- ■ C# / J AVASCRIPTS
- ■ SOLR/CASSANDRA
- ■ ANDROID DEVELOPER
- ■ AJAX/ JSON / JDBC
- ■ DATABASE DESIGN
- ■ DEBUG AND DOCUMENTATION
- ■ TECH SUPPORT / TEAM LEAD
- ■ GIT / GRADLE / MVC

■ SQL / MYSQL / AZURE Bachelor of Science: Computer Engineering

St. Vincent Pallotti College of Engineering at Nagpur

Outstanding Personality, Elocution and Debate Achievement Awards
Top of class with GPA 3.8 out of 4

07/2013 – 07/2017

CERTIFICATIONS

- Certified Cyber Security Expert.
- Certified Information System Security
- Certified Ethical Hacker
- Advanced SOS: Detect Accidents automatically through Artificial Intelligence .
- Bhaji Bazaar : Simplicity meets the window shopping. Vegetable market.
- Java | Google Firebase | Android Studio | REST API
- Smart WiFi attendance : WiFi attendance System for University and Colleges
- lobbyTV : Promote your business, products or services with its simple to use platform.
- Augrat: Generate buggy android code for comparing program analysis tools like Leak Canary, Heap
- Guest lectured on Artificial Intelligence at the University of Washington (2025)
- First position in National level APPATHON 2015 and 2016
- First position in National level HACKATHON 48 hr. Coding Challenge (2015,2016,2017)
- Runner up at National level APPFLUX Competition 2015 -IIT ROORKEE
- Featured in various National Newspaper like 'The Hitavada', 'Times of India', etc.
- Featured in talk show at various FM Radio Channel such as 'Radio Mirchi'. 07/2019 – 09/2021 09/2021 – Present
